

SINGLE USER - 1X50G MIG & TIG

The most reliable weld cleaners on the market, proudly made in the USA.

The 1X50G model weld cleaner provides the same trusted performance of the 1X50 model and combines it with our proprietary Applicator Pump Gun, allowing the user to clean and passivate more efficiently. All of Capital Weld Cleaners machines quickly remove heat tint, rust, oxidation, and passivate in accordance with ASTM A967.

Features.

- 50 amps of cleaning power.
- New flow-through brush design using our signature braided carbon fiber.
- One hand operation
- Cleans Mig & Tig welds on stainless steel and aluminum.
- 16ga steel shell
- Switch between brush and electrode cleaning modes.
- 115VAC or 220VAC compatible.
